

D & V Electronics is a Manufacturer and Supplier of state-of-the-art test solutions for the Automotive and Aerospace Electric Vehicle Markets. Our Woodbridge, Ontario facility is currently looking for a JBT-1 General Assembler to be responsible for building small equipment/modules. If your qualifications and experience meet our needs, we invite you to apply for the following position:

Title: JBT-1 General Assembler

Hourly Rate: \$23.00 to \$26.00 per hour

Role:

- Assemble/build small equipment and / or sub-assemblies.
- Read and follow work instructions.
- Inspect assemblies, and use appropriate tools like torque drivers and various hand tools, etc.
- Disassemble and prepare machines for shipment.
- May be required to fabricate or modify parts, using shop equipment with supervisor approval.
- You are responsible for ensuring that your work area is kept clean and tidy daily, and your tools are stored properly prior to leaving at the end of the workday.
- You are responsible for following all health & safety policies and procedures of D&V and OHS Act.
- Perform other duties as assigned by management

Education and Experience:

- 3-5 years assembly line experience assembling small equipment.
- Proficient in reading and following work instructions
- Proficient in using productivity tools I.e., torque driver, etc.
- Capable to lift up to 40 lb. small devices, to assembly station
- Carry out high quality work and maintain good records.
- Ability to meet deadlines under conditions of multiple demands and conflicting priorities.
- Strong challenging spirit, Team player, quick learner, self-motivated, able to work under minimal supervision, and enjoy learning new things.
- Excellent interpersonal and organizational skills.
- High degree of flexibility and be willing to work after hours and weekends.

D & V Electronics values their employees. We encourage life-long learning and foster employee personal growth. If you're someone who enjoys working in a creative and innovative work environment, and would like to join our team, please submit your resume and covering letter to: careers@dvelectronics.com

We thank all applicants for their interest in our organization, however; only those selected for an interview will be contacted.
